Hello Golfers!

Joe Radermacher has been a pivotal figure in the Pump and Meter Family for over 40 years. He started in 1974 after graduating from the University of Minnesota with a Mechanical Engineering Degree. He immediately went into the family business. In 1992 he took over as President and in 1998 he took on the role as CEO. We lost Joe December 5, 2018 after battling Parkinson's disease and a rare auto immune disease called Wegener's. In his memory, the family has started a scholarship called the Joe Radermacher Engineering Scholarship for students graduating from Chaska High School (where all four of his kids went) pursuing a degree in engineering.

On August 1st 2022 we are hosting our 4th Annual Memorial Golf outing in his honor to raise money for this scholarship 100% of the proceeds will go towards the scholarship fund. We appreciate your participation. You can find the Golf information on the following page.
