Hello Sponsors!

Joe Radermacher was a pivotal figure in the Pump and Meter Family for over 40 years. In 1974, after graduating from the University of Minnesota with a mechanical engineering degree, he immediately went into the family business. In 1992, he took over as President and in 1998 he took on the role of CEO. We lost Joe on December 5, 2018, after battling Parkinson's disease and a rare autoimmune disease called Wegener's granulomatosis. In his memory, the family started a scholarship called the Joe Radermacher Engineering Scholarship for students graduating from Chaska High School (where all four of his kids went) pursuing a degree in engineering. In 2022, it was expanded to include students pursuing trade school.

On July 31st, 2023, we are hosting the 5th Annual JOE RA Memorial Golf outing to raise money for this scholarship. All proceeds go towards the scholarship fund. With your support, the JOE RA has grown to be the largest event held at Island View Golf Club, includes over 230 attendees, and has donated \$37,000 since starting in 2019! Please join us for a day of fun with friends and colleagues and enjoy yourself as Joe would have! You can find the golf, registration, and payment information on the following page.
